Dear Lazan, Glover & Puciloski, LLP,

On behalf of the entire staff of Fairview Hospital, thank you for supporting the seventh annual Fairview Gala this past Saturday night. The lovely voice of Angelica de la Riva, the breathtaking performance of Zikomo Barr and Kristina Cordera, and the Italian ballads performed by the remarkable Dominic Chianese, made for an evening I will never forget.

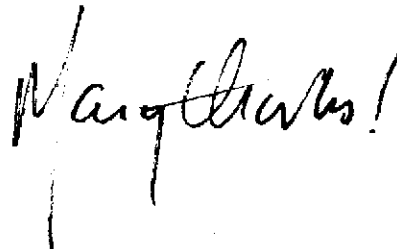

The success of that evening means a great deal to Fairview Hospital. Over \$112,000 has been raised to purchase important medical technology that will be available for diagnostic procedures here at our community hospitals. Medical technology is costly but diagnostic excellence is our commitment to our community. We are fortunate to have the support of people like you to help us assure that we can bring these important tools to our medical team.

*Augurandovi il la cosa migliore di salute durante l'anno venture. Grazie per ill vostro supporto.*  
(Wishing you the best of health in the coming year. Thank you for your support.)

Sincerely,

Eugene Dellea
